DAILY-USE INTENSIVE HYDRATING
TREATMENT FOR HAIR

PRESENTATION
300 ml.

Two-phase treatment that hydrates and conditions hair. Recommended for normal to dry hair. Detangles and improves manageability. Enriched with **TRICONE** and **TRICOERBA**, protein and botanical compounds that help improve hair's appearance. Developed with **TRICOSIL** to provide softness and **TRICEL-R** to protect hair from UV rays.

Directions:

- 1 | Shake well before using.
- 2 | Apply on clean and slightly damp hair.
- 3 | Leave in and style.

**Daily use*

CAUTION: Avoid contact with eyes. Keep out of the reach of children. In case of adverse reactions, discontinue use; if the reaction persists, consult your doctor.
