LIQUID HAIR GEL. STYLES AND DEFINES CURLS

PRESENTATION
10 ml., 300 ml., 1 l.

Liquid gel with a soft fix. Ideal for setting and defining curls with movement. **Provides shape, texture and shine to hair.** Enriched with Panthenol and TRICONE, protein complex that helps improve hair's appearance. Protects the hair from UV rays thanks to its TRICEL-R complex.

Directions

1 | Apply a small amount on humid, sectioned hair.

2 | Style.

CAUTION: *Avoid contact with eyes. Keep out of the reach of children. In case of adverse reactions, discontinue use; if these reactions persist, consult your doctor.*
